

May 12, 2020

Update from White Hall Day Care – WE ARE OPENING ON MAY 19, 2020

Dear Parents and The Children,

Greetings!!

First of all, the White Hall Management and the staff sincerely appreciates your support and understanding during the long period of closure of the childcare services. Now the waiting period is over and, following the government orders, we are reopening our centers (both Canora and Northend locations) from May 19th, 2020.

As you might be knowing, until the challenges related to Covid-19 pandemic are resolved, the government is allowing the childcare facilities to open with a limit on the maximum number of daycare attendees to ensure everyone's safety and the health. Due to this restriction on the maximum children, we are requesting our all current and new parents/families to contact us immediately to confirm the spot for your child.

We will follow new guidelines for the operation that have been provided to us by the Government of Alberta, and we seek your complete cooperation to ensure everyone's safety. These guidelines will be explained to you in person, and will also be posted soon on our website.

Please contact our directors directly by phone or by email as below:

West side (Canora) location:

Email – whitehall.daycare.canora@gmail.com; phone:780-680-3716 (Neera)

Northend location:

Email – whitehalldc.northend@gmail.com; phone: 780-655-0101 (Zarqa)

Looking forward to welcome you very soon.

White Hall Management
