

A Message from the Educators!!!

Dear families,

Thank you for all the warm wishes! Our children had big enjoyment exploring the feeling of love and friendship. Everyone learned being a good friend means having supportive feelings and expressing care, such as cooperation, sharing, giving, and accepting compliments and apologies. We also hope all of you enjoyed a relaxing Family Day with nears and dears. We hope everyone was more loving, kind, caring and friendlier this month.

Spring! February dumped lost of snow and frigid temperature, however at the end of the month it warmed up. We all welcome the upcoming pleasant weather and are eager to start enjoying more outdoor fun-based programs and the activities. Hopefully, spring rains will add more moments of emotional and physical enjoyment, which are the catalysts for positive growth. Since the weather frequently changes during Spring and it’s hard to predict what the days will be like, we would like to remind all parents/families to send children with proper outdoor clothing such as boots, jackets, mittens, hoods etc. It will help staff dressing up your child accordingly.
