## Reflection On Previous Month

*December is beautiful, exciting, magical and musical. Festive and cozy atmosphere, beautiful performances by our children during the last days of holidays elevated Christmas celebrations and holiday spirit. Thanks to our talented WHDC team that excelled in performance and organized entertaining programs for our children and the parents - **big cheers for staff and children.***

**Canora:** Our December celebrations at WHDC were filled with joy, creativity, and festive cheers! From the **9 Days of Christmas Challenge**—featuring colorful dress-up days, cozy pajamas, silly hairstyles, and twinning fun—to our **Annual Christmas Party**, the children embraced the holiday spirit with enthusiasm and colorful imaginations. A beautiful dance performance

by our children on Christmas eve was thoroughly enjoyed by everyone and added an

unforgettable charm and enchantment to our festivities with parents.

It was heartwarming

to see their smiles, laughter, and excitement as they explored each festive theme and created wonderful memories together.

**Northend:** December was filled with enjoyment, learning and meaningful but entertaining explorations as our children participated in programs themed around Christmas festival, holidays and New Year celebrations. Excitement in children was unparalleled as they were provided with an opportunity to **sing and dance** –

individually or in groups, depending on their preference. This activity helped build their confidence, group spirit, smiles and stimulated their emotional and creative growth.

**During the holidays, we also worked on reorganizing and enhancing the interior quality of our facility.** The management worked on getting new carpet installed in the whole facility, which now looks very beautiful and uplifted.

Big thanks to the WHDC Management.
