

NEWSLetter

June 2026

Together, parents and educators plant the seeds of confidence, kindness, and lifelong learning.

Reflection on May 2026

Canora recap:

May was filled with memorable learning experiences creating many learning opportunities and joyful celebrations. We delightedly welcomed mothers to the center on Mother's Day celebration, where children shared special moments with the important women in their lives. Highlight of the event was creating stronger bonds and love between children and their families. In our Talent Show, children got a chance to express their emotions and skills through music, dance, and creative performances exposing their confidence and freedom that shine as they proudly showcased their abilities. Our Outdoor Picnic Day was also exciting and adventurous as children enjoyed games, played, and spent time with friends in the fresh air. Their enthusiasm and laughter made the day a great success. We wrapped up the month with a fun-filled Ice Cream Day, where children enjoyed creating and decorating their own delicious treats. It was the perfect way to celebrate a fantastic month together.

Northend recap:

As we look back on May, we are grateful for a month filled with connection, creativity, and happy memories. Our Mother's Day celebration was a heartwarming occasion that allowed children to show their love, appreciation and support they received from their mothers and caregivers. Children eagerly participated in our Talent Show, demonstrating their natural talent and learnings through singing, dancing, and other performances. Their confidence and excitement were truly astonishing and a real pleasure to watch. Our Picnic Day offered outdoor explorations where teamwork and friendship were obvious as children enjoyed nature, group games, and special picnic treats. The day provided many opportunities for social interactions and active play. To end the month on a sweet note, children had a wonderful time during Ice Cream Day, using their imagination to decorate their own treats while enjoying a fun hands-on experience. We are proud of all they accomplished and look forward to another exciting month ahead.

What's up for NEXT MONTH

Butterfly & Bug Exploration Day – June 5th, 2026

Children will learn about insects and their activities through nature walks, observations, and bug-themed art projects.

Rainbow Science Day – June 12th, 2026

Children will explore colors through fun science experiments, color mixing, and rainbow-themed crafts.

Father's Day Celebration – June 19, 2026

Children will create special crafts and cards to honor fathers, grandfathers, and other important role models in their lives.

Outdoor Art Day – June 26, 2026

Children will explore their creativity through sidewalk chalk art, painting, and nature-inspired crafts.

Reminders:

Fee payments: It is now the start of a Seasonal Allergies' period. Please make sure childcare fees are paid on the 1st day of each month. A late fee may apply if payment is not received at the latest by the end of the first week of the month.

Health issues. If your child is prone to seasonal allergies and is experiencing symptoms, please inform us of the specific allergens, so that appropriate help can be provided. If your child is sick, please, for safety of other children, ensure they remain at home until fully recovered. It is an important safety measure required by the children's services. CONTACTS:
