Reflection on July 2026

Canora recap:

Schools closure added exceptional excitement in children that greatly enhanced their learning experiences and memorable adventures! The children enjoyed **Adapted Story Time** at the library, where they explored books, listened to engaging stories, and developed their language and listening skills.

The children also had an amazing time on our **Aviation Museum field trip**, where they learned about airplanes, aviation history, and how aircrafts fly. They also enjoyed fun outings to the **Spray Park**, **Dollarama**, and **McDonald's**, creating wonderful memories while building friendships and exploring the community.

Many thanks to our families for their continued support and to everyone who helped make these activities a success. We look forward to an exciting month of learning and fun in August!

Northend recap:

July was filled with fun, learning, and exciting adventures! The children enjoyed their visits to the library, including the **Summer Reading Fest: Dog Man – Hero Training Academy** and **Library Visit Day**, where they explored books, listened to stories, and participated in engaging activities that encouraged a love for reading.

Besides having a thrilling experience during their visit to **Aviation Museum**, children also had a wonderful time visiting **Rundle Park**, playing in the **maze** and participating in structured outdoor play activities that promoted teamwork, problem-solving, and active learning.

It was a fantastic month of exploration, creativity, and making lasting memories. Thank you to our families for your continued support—we look forward to another exciting month ahead!
